

# Cover Crops Meeting

January 10<sup>th</sup>, 2019  
at 1 pm  
Pratt Area 4-H Center  
Pratt, KS

**Dr. Jaymelynn Farney**  
Assistant Professor &  
Extension Specialist

Jaymelynn will cover grazing covers as well as baling for future use. Jaymelynn will also talk about recommended cover crops to maximize forage for livestock.

**Dr. Anita Dille**  
Professor of Weed Ecology

Anita will talk about how different mixes of cover crops suppressed weeds and what covers are recommended depending on your cropping system.

## Agenda

- How to get the most out of grazing cover crops
- How to use cover crops for weed control
- Q&A Session

This program is free to attend, but please rsvp to 620.672.6121.

Brought to you by the  
K-State Research & Extension  
Councils of Barber, Kingman, Kiowa,  
Stafford, and Pratt counties.
